5 April 2009

Grants Available for the Vermont First Tee National School Program Initiative

(Rutland, Vermont) Vermont elementary schools are invited to apply for a grant for the Vermont First Tee National School Program (www.thefirstteensp.org) for spring 2010. The program goal is to establish a lifelong interest in golf by engaging young people (K-5) in a structured golf curriculum that promotes personal character development within a physical education setting. Forty-eight Vermont elementary schools currently participate in the program.

The Vermont Golf Association, Vermont Golf Association Scholarship Fund, Vermont Golf Course Superintendent's Association, Vermont Golf Industry Committee, Vermont PGA, Vermont Seniors Golf Association, and Vermont State Women's Golf Association, are leading the effort to expand The Vermont First Tee National School Program.

Deadline for application is December 15, 2009. For more information, contact Richard H. Mihlrad, President, Vermont Golf Association, by phone (802) 645-1907 or e-mail (rmihlrad@sover.net).
